

Sinclair  
Broadcasting needs  
to be free to  
broadcast whatever  
opinions they want  
to. Our freedom of  
speech is an  
important part of  
the Constitution --  
that's why it's  
number one, in the  
first Amendment.  
This is a Free  
Country, please do  
your part to see to  
it that it remains  
free.  
Sincerely, etc.
